Consider the size your child requires when ordering so they will at least get a couple of seasons out of it. Sizes are in children's sizes and true to size. If unsure what size your child needs go a size up.

Please ensure that all uniform orders are placed during registration. Any orders placed after registration closes can not be guaranteed to be available. 13. Team Selection

The number of teams that Maccabi Basketball will enter into competitions (and the number of players per team) will be determined by the following factors:

- Number of registered players (minimum of 7 players for team in any age bracket)
- Number of coaches
- Access to facilities to train

No requests will be accepted for specific training days, locations or teams. Please bear in mind that limitations and restrictions as a result of Covid with regards to the number of people permitted access to training venues has added an additional layer of complexity to team allocations. Movements for clash of activities will not be accommodated.

14. Team Manager

This season more than ever the Club needs your support to ensure our children play in a Covid safe environment. Please consider volunteering for this role, your kids will love seeing you involved and you are making a fantastic contribution to our club which relies on our wonderful volunteers to operate smoothly.

It is essential that one parent performs the role of Team Manager for each team. This involves:

- Facilitating communication within your team
- Scheduling training and creating a parent roster for training supervision
- Scheduling match day events and rostering parents for scoring

This is a simple but essential role that requires minimal time but makes an enormous difference to your child's team for the season. The Club supports each Team Manager and is always available to ask questions or help out.

As part of the terms and conditions for registering your child you accept the responsibility of being a Team Manager. Team Managers are allocated each season on a rotational basis (unless there is a volunteer).

If you are selected as a Team Manager it is your responsibility to fulfill the role. **Do not email the club saying you are unable to be a Team manager, you have agreed to it as part of the T&Cs in registering your child.**

Training can not commence without a parent supervision roster in place for training.

15. Announcement of Teams

Please be patient. Team allocation is a timely process. A number of factors are taken into consideration to determine teams. **The announcement of teams will be done via Team App.**

You will receive notification via Team App when the teams have been released. Only those that have registered for the season will receive a notification.
