Important

Players should not attend tryouts for their current winter season age bracket, **you must attend tryouts for the age group you will play in during the Summer Season.**

Team placement will be based on performance at tryouts, feedback from coaches on player's performance in the previous season, team balance and coachability/attitude during the Winter 2022 Season. The placement is based on skill and a player's relative standing in relation to other similar players in the game group. The composition of each team is also considered to ensure each team has an appropriate mix of players - centers/forwards/guards.

The Coaching Directors undertake the complex task of combining all players within an age group into the most appropriate teams that will play in graded competitions for the upcoming season.

Friendship requests will not be considered in the team allocation process.

13. Team Manager

Team Manager is a critical role and no team can play without one. **Please consider volunteering for this role**, your kids will love seeing you involved and you are making a fantastic contribution to our club which relies on our wonderful volunteers to operate smoothly.

It is essential that one parent performs the role of Team Manager for each team. This involves:

- Facilitating communication within your team
- Scheduling training and creating a parent roster for training supervision
- Scheduling match day events and rostering parents for scoring

This is a simple but essential role that requires minimal time but makes an enormous difference to your child's team for the season.

It is a condition of registration that you agree to accept the responsibility of being a Team Manager if you are chosen. Team Managers are allocated each season on a rotational basis (unless there is a volunteer).

Please do not email the club saying you are unable to be a Team manager, you have agreed to it as part of the T&Cs in registering your child. If you cannot fulfill your Team Manager duties it is your responsibility to find a parent from your team to replace you.

Training cannot commence without a parent supervision roster in place for training.

We have a dedicated volunteer who assists Team Managers to fulfill their roles. Please contact maccabibasketballteamapp@gmail.com if you require any assistance.

14. Announcement of Teams

Please be patient. Team allocation is a timely process. A number of factors are taken into consideration to determine teams. **The announcement of teams will be done via Stack Team App.**

You will receive notification via Stack Team App when the teams have been released. Only those that have registered for the season will receive a notification.

15. Skills Sessions

From time to time Maccabi Basketball offers Skills Sessions for children in prep and year 1 when court availability and coaching availability allows for it. For more information please contact maccabibasketballvic@gmail.com
